### LESSON SELECTION CONSIDERATIONS

**BEGINNER'S LESSONS:** For those who have had no formal tennis instruction, no playing experience or have experienced a long delay between lessons or playing. Lesson objectives are to introduce the skills necessary to play tennis, provide an overview of the rules and fundamentals and to explain the requirement for proper court etiquette, safety, and sportsmanship. With the very young players, activities will also include teaching appropriate movement skills plus pre-striking and striking skills. These lessons are geared to make everyone successful and make the experience fun.

**ADVANCED BEGINNER & INTERMEDIATE:** For those who have had success in past lessons and/or playing experiences and are ready to progress to the next level. Lesson objectives are to reinforce previous lessons learned and to facilitate more advanced stroke techniques and develop ball control and placement skills. **NOTE:** Recommend Grades 9-12 Intermediate players register in adult lessons.

\* PLEASE NOTE THAT N/R FEE IS THE NON-COUNTY RESIDENT FEE FOR LESSONS
